

PRESS RELEASE

At this juncture, when we are passing through a crisis, I appeal to the people of Nagaland irrespective of political affiliations to maintain complete peace and harmony. I further appeal to all sections of the Naga Society to strengthen my hands in my humble endeavour to find an amicable solution. I am reminding each one of you of the Great traditions of our Proud State which we all should strive to uphold, lest posterity may not pardon us.

I also appeal to all Political Party Leaders, Church Leaders, Naga Hoho, Mother's Organisation, Student Bodies, G.Bs and other Public Organisations to pray and work for unity, peace and amicable solution of the present political imbroglio.

In the meanwhile, I am awaiting the views of the learned Advocate General of Nagaland for the solution of the situation.
