MESSAGE

I extend my hearty greetings and best wishes to the Muslim Community of Nagaland on the occasion of Id-ul-Fitr.

Ours is a secular democratic Country. Every Citizen has their constitutional right to follow and propagate the faith he/she believes.

Id-ul-Fitr is a festival celebrated by every person of Muslim religion to pay tribute to the blessings of God, reveal happiness, do charity work, read takbirat in open and large field.

May this auspicious occasion bring peace, prosperity and progress and strengthen fellowship among the people of the State.
