MESSAGE

I extend my hearty greetings and best wishes to the Nepali Community of Nagaland on the occasion of Bhanu Jayanti.

The 194th Birth Anniversary of great Gorkha poet Late Shri Bhanu Bhakta Acharya is celebrated in all major Gorkhas in Nagaland. The Bahnu Jayanti is celebrated with gaiety and happiness as a symbol of valuable knowledge and unity.

Bhanu Bhakta Acharya was born in Nepal in 1884, made Nepali language a common tongue to almost 61 Gorkha tribes before the Nepal monarch Prithivi Narayan Shaha had declared the Gorkha language now Nepali as a national and palace language. All the 61 Gorkha tribes preach their culture, tradition and religion and also communicate in a common tongue today due to the contribution of poet Bhanu Bhakta Acharya.

The Great Poet has also translated Ramayana in Nepali language. He has many great literary works to his credit.

May this auspicious occasion bring peace, prosperity and progress and strengthen fellowship among the people of the State.
