GOVERNOR'S MESSAGE ON THE OCCASION OF
INTERNATIONAL DAY OF YOGA 2015

Shri P. B.Acharya, Hon'ble Governor of Nagaland and Assam in his message to the people on International Day of Yoga – 2015, has stated that :

21st June 2015 is being observed and celebrated throughout the World as International Day of Yoga. The World has finally taken cognizance of the importance of 'Yoga' for a sound mind and a healthy body. It is a victory for our ancient **Saint Patanjali** and an honour and recognition to the memories of his great soul. It is a triumph for India's contributions to the good health and sound mind formula for the human beings of the World.

Let us all Indians recognize what we have and be proud of our heritage. Today, we recognize our own valuable contributions in different aspects of life; it is the beginning of the country's road to the top glory in the community of the Nations.

I appeal to all Schools, Colleges, Universities, NGOs, Student Organizations, Trade Unions and all members of the public to participate in good numbers and groups in the International Day of Yoga celebrations on 21st June 2015.
