

Acharya inaugurates eco-friendly toilets

Nagaland Governor, P.B. Acharya inaugurated the eco-friendly toilet block at Peducha on Sunday setup by the Border Roads Organization, Project Sewak. The toilets have been constructed for road users and the neighbouring villagers by BRO, Project Sewak led by Chief Engineer (Sewak) Vinod Kumar and Commandant 15 BRTF, Colonel S.P Yadava as part of Swachh Bharat Abhiyan. During the inauguration programme Chairman, Peducha, Neimehel Neikha thanked the Governor for selecting their village for constructing the toilets although the village is small in size. Commandant 15 BRTF, Colonel S.P Yadava, while giving a short speech, thanked the Governor for giving them the initiative to construct the toilets and also for his presence for inauguration.

He also thanked the Chief Engineer (Sewak), Vinod Kumar for his contribution towards successful construction of the toilets. Colonel expressed willingness to help in maintaining the block whenever necessary.
