EID-E-MILAD MESSAGE

I extend very warm greetings to the people of Nagaland on the occasion of Eid-e-Milad. It is celebrated to commemorate the birth of Prophet Muhammad.

An honourable practice during this occasion is the act of kindness rendered towards one another, specially towards the needy and poor.

Let us celebrate this important festival safely, observing all Covid-19 protocols. May this auspicious occasion continue to usher us towards virtue, peace and unity.

(R.N. RAVI)
