LAO-ONG MO GREETINGS

I extend a very warm Lao-Ong Mo greetings to all my Konyak brothers and sisters and to the people of Nagaland.

Lao-Ong Mo is a post-harvest festival and is also known as the annual harvest festival. It is celebrated to mark the abundant harvest and thanksgiving.

It is heartwarming to know that members of the Konyak community take part in the revelry with families and friends, rekindling kinship while others seek to build new relations along with the festivities.

It is very important for our youth to preserve our rich culture and heritage, which should be manifested in our way of life through hard work, honesty and unity along with the colourful songs and dances.

On this special occasion, I wish happiness, prosperity and good health to everyone. God bless you all.
