**YEMSHE FESTIVAL GREETINGS**

I extend my warm wishes to the people of Nagaland, specially to my Pochury brothers and sisters on the occasion of Yemshe festival.

Yemshe is a harvesting festival and the Pochury community rejoice the fruit of their hard work during this time.

Our Pochury friends also share their produce, exchange gifts and care for one another. Another beautiful practice is the enthusiastic cleaning of the village by the people.

Traditional dances and songs as well as the other good characteristics of the festival passed down by our forefathers ought to be preserved by the younger generation.

As we celebrate this beautiful festival today, may God bless everybody with good health, peace of mind and prosperity!
