AOLEANG GREETINGS

I extend warm Aoleang greetings to my Konyak brothers and sisters and to the people of Nagaland.

It is an occasion for the Konyak community to pray for a bountiful harvest. It is also a time to reminisce the past journey through their ancient culture and traditions which are beautifully displayed during the festival.

The celebrations aim to promote peace and progress of our society. It is important for the youth of the community to acquaint themselves with the rich customs and traditions through celebrations of this premier festival year after year.

Let us safely celebrate this auspicious occasion. I wish everyone good health, happiness and prosperity. God bless Nagaland!
