**KUNDAGLÜN GREETINGS**

I extend warm Kundaglün greetings to my Chang brothers and sisters and to the people of Nagaland.

Kundaglün literally means festival commemorating the completion of field's hut. Prayers are made for a bountiful harvest. A significant part of the festival is that the celebrations provide a platform for the Youth of the community to get acquainted with the spiritual and cultural richness of the Changs.

Let us celebrate this beautiful festival observing all Covid-19 protocols.

I wish you all peace and a prosperous life. God bless Nagaland!
