Tsukhenye Greetings

I extend warm Tsukhenye greetings to my Chakhesang brothers and sisters and to the people of Nagaland.

The Tsukhenye festival marks the end of a successful harvest year and greatly welcoming the spring season. People invoke God to replenish them with good health and more strength. During this time of celebrations, they also revive and rejuvenate themselves before heading to the toiling work and sowing for the next seasonal harvest.

Let us continue to observe COVID-19 protocols throughout the celebrations.

On this occasion, I wish you all with good health, peace and happy celebrations.

God bless Nagaland!!
