**BIAM GREETINGS**

I extend warm Biam greetings to my Khamniungan brothers and sisters and to the people of Nagaland.

Khamniungans emphasize on the importance of food grain storage and consider empty granary a taboo. Traditional rituals performed during the festival reflects the harmonious coexistence of the community with the environment. I urge them specially the youths to imbibe and carry forward the cultural values of the festival.

Let us celebrate this beautiful festival observing Covid-19 protocols.

On this auspicious occasion, I wish you all good health, peace and prosperity.

God bless Nagaland!
