**HUNAPONGPI GREETINGS**

I extend warm Hunapongpi greetings to the people of Nagaland specially to my Sangtam brothers and sisters.

The celebrations of Hunapongpi is to display affection and care for one another. Children are the prominent participants in this festival whereby they learn to preserve the beautiful culture displayed in the form of folk songs, dances and traditional sports. It provides an opportunity to understand and appreciate the beauty of the underlying ancient philosophies of the community.

Let us celebrate this beautiful festival following Covid appropriate behaviors.

On this auspicious occasion I wish you all happiness, good health and prosperity.

God bless Nagaland!
