ID-UL ZUHA GREETINGS

I extend warm Id-ul-Zuha(Bakrid) greetings to the people of Nagaland particularly to the Muslim community.

This festival epitomizes the noble values of sacrifice, trust and forgiveness. I hope that this sacred occasion will usher in good will, harmony and further strengthen the values of our society.

Let us celebrate following COVID-19 appropriate behaviors.

On this beautiful occasion I wish u all good health, peace and prosperity.

God bless Nagaland!
