**METEMNEO GREETINGS**

I extend a very warm Metemneo greetings to all the people of Nagaland specially to my Yimchunger brothers and sisters.

During the celebrations, Yimchungers seek blessings for a bountiful crop-millet in particular. The five-day celebration has different significant rituals being performed each day. Traditional rituals of this festival reveal the importance of proper sanitation and hygiene. Forgiving one another and strengthening the familial and social bonds are the essence of this festival.

Let us celebrate this beautiful festival following Covid appropriate behaviors.

On this auspicious occasion, I wish you all good health, happiness and prosperity.

God bless Nagaland!
