**NAKNYULUM GREETINGS**

I extend warm Nakyulüm greetings to the people of Nagaland, especially to my Chang brothers and sisters.

The festival celebrates the triumph of light over darkness, good over evil and love over hatred. On this occasion the Changs share their produce, exchange gifts and care for one another.

The centuries old festival and its rituals signify and embody the deep seated philosophy of the community and its cultural values – of peaceful and harmonious co-existence not only among the people but also with the environment.

Let us celebrate Nakyulüm festival in its true spirit while observing COVID appropriate behaviors.

On this auspicious occasion, I wish you all good health, peace and prosperity.

God bless Nagaland!
