MONGMONG GREETINGS

I extend a very warm Mongmong greetings to my Sangtam brothers and sisters and to the people of Nagaland.

This beautiful festival is a celebration for good harvest after all the hardwork in the field. Mongmong is also a time of togetherness, sharing of produce and forgiveness.

Sanitation and repairment of public infrastructure are carried out by the villagers during this time. Traditional rituals performed reflect the importance of the villagers to live in harmony with the environment. Love, care and unity are the wonderful essence of this festival.

Let us celebrate Mongmong observing Covid-19 protocols.

On this auspicious occasion, I wish you all good health, happiness and prosperity.

God bless Nagaland!
