**CHAVANG KUT GREETINGS**

Warm wishes to my brothers and sisters of Kuki, Chin and Mizo communities and to all the people of Nagaland on the occasion of Chavang Kut festival.

It is a thanksgiving festival for a bountiful harvest; it also celebrates peace and unity. The young and old are involved in traditional dances, songs and games which is a good way to preserve our rich cultural heritage.

The celebration of the festival by communities, cutting across boundaries, brings people together and fosters friendship and unity which in turn leads to progress.

On this auspicious occasion, may God bless you all with good health, peace and prosperity!
