**DIWALI GREETINGS**

Warm Diwali greetings to the people of Nagaland.

This festival signifies victory of light over darkness, good over evil, truth over falsehood and knowledge over ignorance.

Decorating homes and office premises with colours mark the celebrations. It gives an opportunity for the people to spend time together and foster good relationships in the family, workplace and society.

On this auspicious occasion, may the spirit of the festival guide us from darkness to light. May you all be blessed with good health, joy and prosperity.
