**Tokhü Emong Greetings**

Very warm Tokhü Emong greetings to all the people of Nagaland specially to my Lotha brothers and sisters. This beautiful festival represents the rich cultural heritage of our people.

It is a post-harvest festival and the people rejuvenate through the celebrations after a period of tremendous hard work in the field.

Tokhü Emong signifies ending of all bitterness and strengthening the familial and social bonding. It is also a celebration of unity and gratitude. Let us always uphold these rich cultural legacies.

May this auspicious occasion bring good health, peace and prosperity.
