THUNI GREETINGS

I extend my warm greetings to my Chakhesang brothers and sisters on this auspicious occasion of Thuni festival.

Thuni is a thanksgiving festival for a bountiful harvest and good health. It is a festival promoting significant virtues such as equity, friendship, peace, purity and originality.

On this joyous occasion, may our Almighty God bless the people of Nagaland with a bountiful harvest, good health, peace and prosperity.

(PROF. JAGDISH MUKHI)
Governor of Assam and Nagaland
